AS REVIEWED IN WINE & SPIRITS MAGAZINE

## El Bon Homme 2012

**92** Points

Monastrell provides the meatiness, while the cabernet offers herbal notes in this 50-50 blend. Together they provide a tense wine, its deep red berry flavors are balanced with oak tannins and firm acidity. The fruitiness comes from vines growing at 2,300 feet in the Sierra de L'Ombria. (October 2014)
