

Monte Hiniesta 2011

92 Points

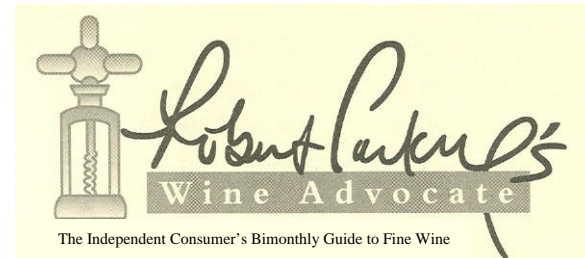

Monte Hiniesta 2011 comes from six parcels of 65 year old vines that are cultivated bio dynamically. Aged in new and second year French oak, it has a gorgeous, vivacious, ravishing bouquet of wild strawberry, maraschino cherry, and dark plum that is beautifully delineated. The palate is succulent on the entry with plush tannins, crisp acidity and a compact, fruit-driven finish that deserves another two years to unfurl. The aftertaste is very long, with hints of spice and white pepper. Great value!
